Items in blue are services the LPHA must provide

Items in green are services the LPHA must provide, contract, or certify are otherwise available

Items with an * are considered essential services for LPHAs, which are required for accreditation purposes

This list is not inclusive of all federal requirements for LPHAs. For example, LPHAs are required to follow all HIPAA guidelines (45 CFR) and provide language assistance for limited-English proficient clients (Civil Rights Act of 1964).
