Parking Lot Cost	Grant Award	BCPGR Match
\$100,000	\$50,000	\$50,000

- The quote of \$100,000.00 is for a 15 car parking lot. In the current economic climate, it is feasible that the construction of this parking facility will cost less than the estimated \$100,000.00 therefore making the BCPGR match less than \$50,000.00
- We are seeking additional funding mechanism, fundraising opportunities and partnerships .

# THE COLLIER PROPERTY 2012 PARTF GRANT APPLICATION

- Approval to apply for PARTF funding
- Approval to place the construction of a parking lot on the property in the BCPGR Comprehensive Plan
