

Would you know the signs?
Would you know what to do?

Intimate Partner Violence can not only take a toll on work...
It can take a life.

Join us for a panel discussion on workplace violence with a special focus on intimate partner violence. Learn the signs of an abusive relationship and what you can do to find protection for an employee and as well as provide safety for your workforce.

October 29th 12:00 pm – 1:30 pm
200 College Street, Ground Floor Conference Room
Light lunch provided
RSVP: christa.lance@buncombecounty.org
