**RE:** Health alert from the Buncombe County Department of Health

### **Clinical Services have moved and Vector- borne Disease Information**

Please see the attached memos for important information about Vector-borne illnesses from NC DHHS. April has been designated "Tick and Mosquito Awareness Month".

Also please remember due to construction, BCHHS Clinical Services have temporarily moved to 53 South French Broad Street. Immunizations including Foreign Travel and TB Testing are located on the ground floor. Family Planning, STD clinic, BCCCP, and TB clinic are located on the second floor. We are currently operating at this (53 S. French Broad Avenue) location. You can click here for more information:
