Owner/Applicant Statement

I certify the above information to be correct and accurate. I am the owner or authorized legal representative for the property described above and hereby grant permission for Buncombe County Environmental Services to enter the property to perform a site/soil evaluation. I understand that if any information provided in this application is changed or found to be false it may result in suspension or revocation of any permits issued. I understand that it is my responsibility as the owner/applicant to identify and comply with all applicable ordinances, laws, and rules that may affect development of this property.

Signature: _____ **Date:** _____

NOTE: If the information in the application for an improvement permit is falsified, changed, or the site is altered, then the improvements permit and authorization to construct shall become invalid. The permit is valid for either 60 months or without expiration depending upon documentation submitted (complete site plan = 60 months; A complete plat is without expiration)
