

**Buncombe County Health Center
Environmental Health Services
Site Plan Form**

Instructions To Applicant: The Environmental Health Specialist cannot begin the evaluation process until all property lines and the proposed home or building are staked and flagged with dimensions. Property lines must match those shown on a survey or preliminary plat. **(A site evaluation cannot be scheduled until this site plan form is completed and signed. The completed form may be returned to Environmental Services or presented to the Environmental Health Specialist on site.)**

As Close To Scale As Possible: **1.** Draw the proposed lot showing all property lines with dimensions and orientation to proposed streets and roads. **2.** Indicate the location of the proposed home or building including decks, walkways, garages, driveways, pools or other structures showing dimensions and distances to property lines **3.** Locate all wells, both existing and proposed (including those on adjacent properties if known). **4.** All surface water including springs, creeks, ponds, rivers, etc. must be shown.
