

Blue Ridge Forever Conservation Committee and SWCD Meet Up

Conservation Easement Issues and Sharing Session

Time: 10:30-2:30 Date: 10/29/2014

Buncombe SWCD Office

The Blue Ridge Forever Conservation Committee meets semi-annually to discuss issues and share experiences around land conservation. Soil and Water Districts can join the conversation at the fall meeting with the Buncombe District co-hosting. This will be an in-depth easement discussion geared toward staff and districts actively holding or acquiring conservation easements. **Agenda Topics** may include:

- Case Studies
- Monitoring Follow-Ups
- VAD/EVAD implications on appraisals
- Reporting to Grantors
- Deed Recombinations
- Easement Violations and more....
