The board recessed at 10:10 a.m. The Board returned to open session at 11:45. At 1:15 p.m. the board received the challenges from four voters from the Montreat precinct.

At 2:20 p.m. John Noce presented 97 absentee ballots that needed to be opened and processed. A bipartisan team of 4 tallied the write-in votes from one-stop and mail-in ballots.

At 7:01 p.m. Chairman Watson reported that the State Board of Elections had been consulted regarding the counting of challenged absentee ballots. The SBOE instructed staff to redact the votes of the challenged absentee ballots. The challenged one-stop absentee ballots should be retrieved and placed in envelopes with the word challenged written on them. The records of the sustained voter registrations shall be corrected.

At approximately 7:15 p.m. Precinct #9.1 reported that the interstate and the roads surrounding the precinct had been blocked due to a high-speed chase and the resulting accident. The State Board of Elections was notified and inquiry was made as to whether the precinct should remain open an additional hour. The State Board of Elections approved and granted the request. The board voted unanimously to request that the State Board of Elections allow Precinct #9.1 to remain open for an additional hour. The precinct was notified to continue to allow voters who appeared to vote by provisional ballot for an additional hour.

The polls closed at 7:30 p.m. and the board traveled to the Matthews Ford Building to receive materials. The materials were returned by 9:15 and the Board adjourned.
