**Organization**

Give a brief history, including date of founding, focus, services, and record of success.

Founded in 1887, Asheville City Schools (ACS) serves 4,310 students in grades PK-12 with 220 children enrolled in preschool. The district's vision is to empower and engage every child to learn, discover and thrive and the mission is to create learning environments that ensure excellence with equity for all students. ACS has 10 schools: 6 elementary schools, 2 middle schools and 2 high schools. Demographically the district serves 50% boys and 50% girls, while 37% are minority students and 63% are non-minority. The graduation rate is 90.7% with 75% of our schools meeting or exceeding growth in 2018-2019.

**Need for the Project**

What is the main issue this project is established to address? What data or qualitative factors/stories are available to show that need?

ACSP received a grant from Buncombe County Commissioners to open a second classroom at Hall Fletcher Elementary School. This classroom opened on August 21, 2019 and has maintained full enrollment along with no teacher turnover. This allowed the program to add a total of 18 slots for three and four year old children. In order to keep classrooms heterogeneous across the district, these 18 slots were spread out across all classrooms within the district. Applications for income-based programs (e.g. Head Start, NC Pre-K and Child Care Subsidy) vary from year to year, but ACSP typically maintains a wait list. The majority of our income-based slots are
