

Early Childhood Committee FY2024 site visit options

Option 1: Conduct no site visits this fiscal year in order to focus on workforce development and then revisit site visits for future cycles.

Option 2: Conduct site visits only for NEW grantees (this would result in 1 site visit – Verner)

Option 3: Conduct site visits for all funded organizations in September – November
(This would result in 16 site visits)

With 4 committee vacancies, each committee member would need to commit to attending 4-5 site visits to have 3 committee members per site visit. We know that in the past, not all committee members opt to participate.

Option 4: Host a “gathering event” for all grantees in lieu of site visits.
