The 18 children who are going to Kindergarten all showed increase level of confidence and comfort in the water. IRL Students from Asheville Middle School participated in swim equity lessons from April 4-26. 6 Boys Swan for 45 min once a week. 2 white, 2 boys of Color and 2 Latinx. 2 of the 6 boys were true non swimmers, both of them adjusted to the water and used arm and leg movement to propell themselves through the water, both went to deep end with assistance and treaded water. The other 4 boys were comfortable in water and swam but had to work on thier comfort in the deep end of the pool. 8 Females participated swim equity lessons from 4/4-4/26. 7 girls of Color and 1 white ranging in age from 11-13 One of the 8 girls was a true beginner and worked mostly in shallow end. She did progress with her quardination and was able to go to the deep end to learn to tread with assistance
<b>Activities related to increasing equity, diversity and inclusion:</b>	Every child had a chance to try all motor function skills needed to progress in swim lessons, slide, kickers, chasing balls to work on windmill arms. Jumping in water, treading, floating on back. IRL 11-13 yr olds all participated in skills in shallow and deep. The 11-13 also participated in skills that incorporated team work.
<b>Activities related to increasing operational excellence:</b>	YWCA Swim equity lessons involve activities to stimulate 3-5 yr olds to get comfortable in the water. YWCA water is 86 degrees which will help with relaxation of muscles. We sing songs that willl help with review of skills. We have a "Fireman Pole" that the kids love to go down under the water. We say Monkey's airplanes and Rockets to show elementary backstroke. IRL Middle School students had adequate time and assistance to learn and better their motor skills which helped them to learn to swim. IRL Middle School students had adequate time and assistance to learn and better their motor skills which helped them to learn to swim.
