What is a Comprehensive Plan?

- 20 year VISION for the County's future
- Inclusive public engagement
- Guides growth
- Addresses community needs/wants
- Identifies vision, policies, strategies, actions

What are the steps?

1. Identify the community's issues, needs, wants, and ideas
2. Develop The Plan which creates the vision, strategies, and goals
3. Use the adopted Plan to direct decisions about budgets, priorities, regulations, and further planning

What can The Plan Do?

- Guidance for future Land Use, Strategic, and other Plans
- Guide policy, priority, and budget decisions
- Direct County to create Small Area Plans for neighborhoods
- Qualify County for new Federal and State funds
- Direct changes to ordinances, regulations, and policies
- Create opportunities for new local and regional collaboration
