Dear Property Owner:

Below you will find pertinent information regarding the tax relief programs available through the Buncombe County Property Assessor. Each program has its own application for convenience and easy navigation.

Elderly: The program excludes the greater of the first \$25,000 or 50% of the appraised value of the permanent residence of a qualifying owner. The owner must be 65 years of age. The owner cannot have an income amount for the previous year that exceeds the income eligibility limit for the current year, issued by the Department of Revenue which for 2024 tax year is \$36,700. See N.C.G.S. 105-277.1 for the full text of the statute. Benefit limitations may apply for multiple owners and each owner must file a separate application (other than husband and wife).

Disabled: You must be 100% totally and permanently disabled plus the same ownership and income requirements as the elderly program applies. Your doctor must complete the last page of the form.

Disabled Veteran: The program excludes up to the first \$45,000 of the appraised value of the permanent residence of a disabled veteran. You must be 100% totally and permanently disabled from a service-connected disability or received benefits for a specially adapted housing under 38 U.S.C. 2101. You must submit the last page of the form to the Veterans Affairs Office for completion regarding your disability. The benefit is also available to a surviving spouse who has not remarried. See G.S. 105-277.1C for the full text of the statute.

Circuit Breaker Tax Deferment: Under this program, taxes for each year are limited to a percentage of the qualifying owner's income. A qualifying owner must either be at least 65 years of age or be totally and permanently disabled. For an owner whose income amount for the previous year does not exceed the income eligibility limit for the current year, which for 2024 tax year is \$36,700, the owner's taxes will be limited to four percent (4%) of the owner's income. For an owner whose income exceeds the income eligibility limit (\$36,700) but does not exceed 150% of the income eligibility limit, which for the 2024 tax year is \$55,050, the owner's taxes will be limited to five percent (5%) of the owner's income.

Many properties in Buncombe County have multiple owners. Each owner may receive benefit from only one of the three property tax relief programs even though you may meet the requirements for more than one program. However, it is possible that the tax rates may not be established until sometime after the filing of the application. This can make it difficult for you to determine which program you prefer. The following procedures will help to resolve this situation. Once your application and supporting documentation is received, the property assessor will review your application and send you a notice of decision. The notice of decision will also explain the procedures if you do not agree with the decision of the assessor.

Thank you,
