Subject: TDA Grant Amendment – Woodfin Greenway and Blueway

Brief Summary:

In collaboration with the Town of Woodfin, Buncombe County has worked with the Tourism Development Authority to secure Tourism Product Development Fund (TPDF) funding for the Woodfin Greenway and Blueway. In order to increase the efficiency of the delivery of the project, the Town of Woodfin and Buncombe County have requested that the Town of Woodfin be included as a direct grant recipient under the grant award. By doing so, the Town of Woodfin will receive disbursements directly from the TDA for the Woodfin Wave and Riverside park. The Town, Buncombe County and TDA believe this will allow for a more efficient reimbursable grant process. The Tourism Development Authority approved the grant amendment at its May 29th meeting. The amendment does not result in any increased budgetary impact to Buncombe County.
