

**MEMORANDUM OF UNDERSTANDING BETWEEN THE COUNTY OF BUNCOMBE AND THE
REYNOLDS FIRE DEPARTMENT**

THIS MEMORANDUM OF UNDERSTANDING is made and entered into this __ day of July 2024 by and between the County of Buncombe, North Carolina, a body politic and corporate of the State of North Carolina (the "County") and The Reynolds Fire Department, of North Carolina, (hereinafter "Fire Department")

WITNESSETH

WHEREAS, on March 3, 2023 Buncombe County approved the use of funding from the American Rescue Plan Act (ARPA) to assess the feasibility for solar PV systems on fire departments within Buncombe County and the installation of solar PV systems on all feasible facilities within contracted budget limits (the "Project[s]");

WHEREAS, Eagle Solar and Light LLC provided the winning bid for the projects which should take 6 months to complete;

WHEREAS, the Project sites identified on Reynolds Fire Department properties are to be located on buildings identified as: 235 Charlotte Highway, Asheville NC 28803

WHEREAS, the Project is anticipated to cost \$58,919.00

WHEREAS, the average annual electric utility costs for the Reynolds Fire Department Projects comes to \$9070 and the savings for the first full year with solar are anticipated to be \$4,342 which would mean estimated savings of over \$213,904 over the thirty year life of the Projects;

NOW THEREFORE, for and in consideration of the promises and covenants contained in this Memorandum of Understand, the County and Reynolds Fire Department agree as follows:

Section I. The Recitals set forth above, along with the definitions of certain terms, are incorporated herein by reference as if fully restated.

Section 2. Reynolds Fire Department hereby grants to County, its contractors, and their duly authorized personnel access to and from the above-referenced Project sites for purposes of construction and installation of the Projects, with the understanding that Reynolds Fire Department must approve the schedule for the installation of the Project. In performing all its functions on the Projects, the County hereby agrees to consult with, and keep Reynolds Fire Department informed of construction activities through the involvement of the County's Construction Administrator. The County shall make Reynolds Fire Department aware of any and all construction meetings held with the County's contractor and a Reynolds Fire Department representative may attend such meetings. Reynolds Fire Department representative will also be included on any communications with the Contractor regarding the Reynolds Fire Department project. In any contract between the County and its contractor, the contractor shall agree to indemnify and defend Reynolds Fire Department for any damage, injury, claim, or suit resulting from the acts or omissions by the contractor. At any time during construction, Reynolds Fire Department may temporarily terminate construction if it reasonably determines that any action by the Contractor compromises the integrity of a Reynolds Fire Department building's roof or the safety of any occupants in the building.

Section 3. The County will satisfy any and all costs for said construction and installation of the Projects.

Section 4. The parties recognize that the solar panels installed on Reynolds Fire Department buildings will become a part of the premises and will be owned by the Reynolds Fire Department. The County will assure that any and all warranties are listed and issued in the name of Reynolds Fire Department. Reynolds Fire

Department will be responsible for insurance for these systems. The Reynolds Fire Department will be responsible for maintenance costs beyond that of any operations and maintenance agreement purchased by the County.

Section 5. Reynolds Fire Department agrees to allow the County to track and report its solar kilowatt per hour (kWh) generation on an annual basis. Such reports shall be based on the data generated from (1) the monitoring system provided by the contractor as specified in the County's RFP; and (2) to the extent applicable, the utility net metered utility invoices received by Reynolds Fire Department.

Section 6. Entire Agreement. This Agreement sets forth and constitutes the entire agreement and understanding of the parties with respect to the subject matter hereof. This agreement supersedes any and all prior agreements, negotiations, correspondence, undertakings, promises, covenants, arrangements, communications, representations, and warranties, whether oral or written, of any party to this agreement.

Section 7. Invalid Provision to Affect no Others. If any provisions of this Agreement is held, determined or adjudicated to be invalid, unenforceable or void for any reason, each such provision shall be severed from the remaining provisions of this Agreement and shall not affect the validity and enforceability of such remaining provisions.

Section 8. The individual signatories below have the expressed and implied authority on behalf of their respective Boards to execute this Agreement. The Parties may execute this Agreement in separate counterparts and the execution of a copy shall have the same effect as the execution of an original. Such execution may be by facsimile or PDF attachment to an email.
