Subject: 2024 Governor's Volunteer Service Award

Brief Summary:

Volunteers are an integral part of our community, offering their time and energy to important causes often without reward or recognition that is why Buncombe County began accepting nomination for the 2024 Governor's Volunteer Service Award in November of 2023.

The Governor's Volunteer Service Award honors the true spirit of volunteerism by recognizing individuals, groups, and businesses that make significant contributions to their community through volunteer service. The awards program, created by the Office of the Governor in 1979, recognizes North Carolina's most dedicated volunteers. Through the years, the award honors thousands who have shown concern and compassion for their neighbors by volunteering in their local community. On August 14, we received Buncombe County's winners and would like to take a moment to properly acknowledge our Volunteer's.

Recommended Motion & Requested Action: For public recognition only.
