Request for Board Action

Meeting Date: November 19, 2024

Department:

Solid Waste

Presenter(s):

John Hudson, Budget Director

Contact(s):

Dane Pedersen, Solid Waste Director

Subject:

Purchase of Equipment

Brief Summary:

Given the increase in volume and the outlook of existing leases on specific equipment, this budget amendment allows Solid Waste to move forward with the purchase of three pieces of equipment currently used on month-to-month leases: one wheel loader, one landfill compactor, and one excavator. Purchase will end those agreements and bypass the wear-and-tear charges normally required. Since some savings will be garnered by the end of the leases, the required amount is only \$280,293.

Recommended Motion & Requested Action:

Approve budget amendment
