

ZPH2024-00033: Emergency Housing Standards Text Amendment

Presented by

Shannon Capezzali

Planning & Development Department

PURPOSE

The purpose of the proposed text amendments will be to address the following uses in the Buncombe County Zoning Ordinance:

- **Emergency Housing**

BACKGROUND

Emergency Housing

- Emergency Housing Standards address short-term temporary housing needs for people experiencing a housing impact because of a declared federal, state, or local disaster.
- Following a natural disaster, FEMA and non-profits may provide travel trailers for short-term emergency housing needs and manufactured homes for longer-term recovery efforts.

COMPREHENSIVE PLAN

Hazards & Resilience

- **Policy 5:** Invest in building capacity to ensure long-term community resilience, risk reduction, and preparedness.
- **Action 3:** Build capacity for community resilience and preparedness.

OTHER JURISDICTIONS

Location
Brevard, NC
Asheville, NC
Carteret County, NC
Pender County, NC
Cape Carteret, NC
Whiteville, NC

SUMMARY OF PROPOSED TEXT AMENDMENTS

Define Emergency Housing

Revise Travel Trailer definition

Add Emergency Housing to the Permitted Use Table and allow in all zoning districts with special requirements

Add Emergency Housing as an allowed use Steep Slope Overlay District and Protected Ridge Overlay District

Create special requirement standards for Emergency Housing

SPECIAL REQUIREMENTS

Applicant must have owned or occupied a primary residence that was damaged, or be assisting with recovery efforts through a government, agency, non-profit, or company	Emergency housing is NOT required to be on the same lot as a damaged home
The housing may not obstruct or prevent recovery and debris removal operations or permitted in the regulated Floodway	Within landslide and heavily damaged flood areas, geotech review is <u>recommended</u>
Allowed up to two (2) years from date of declared emergency, with option to extend	Up to two (2) units permitted on a single lot, except when part of a group site
Meets E-911 Addressing standards	Meets underlying zoning district setback requirements, with option for ZA reduction
Connected to approved utilities (waste, water, electric)	Travel Trailers shall be no closer than ten (10) feet apart from each other
Emergency housing in group sites must be accessed by a vehicular drive aisle on one side	1 parking space is required per unit
Waste management of the site is required	Exempt from some Steep Slope & Protected Ridge overlay requirements

Hearing Notification
