

HAZARD MITIGATION GRANT PROGRAM

Buncombe County residents can apply for Hazard Mitigation Grant Program funding to make your home more resilient against natural hazards, like floods, wildfires, & storms.

If you qualify, the program offers **3** home improvement project options:

1 ELEVATION PROJECT

raises your home 2-ft above flood levels & replaces the old foundation

You get temporary lodging while the work is done, & you won't have to move anything out of your home.

2 MITIGATION RECONSTRUCTION PROJECT

a new home built on a new foundation that is also 2-ft above flood levels.

Your belongings are moved out & stored, & you'll also get temporary lodging during the project.

3 ACQUISITION PROJECT

buys your property at pre-disaster value, demolishes the home & turns the area into greenspace forever
