

ADDENDUM #1

March 28, 2025

TO: ALL POTENTIAL SUBMITTERS

FROM: RON VENTURELLA, BUNCOMBE COUNTY PROCUREMENT MANAGER

SUBJECT: ADDENDUM #1 FOR IFB EMERGENCY SERVICES MEDICAL SUPPLIES

The following changes, revisions, additions, and/or clarifications to the plans and/or specifications are hereby made a part of the original documents.

Addendum # 1

The following questions were asked by potential bidders (listed in no particular order):

1) There are 74 items on the bid under the Curaplex name- the bid states we cannot substitute. Curaplex is a private label for BoundTree- that means that BoundTree is the only one that can bid on these items, can these items be removed from the bid or can we bid a substitute for them?

These are preferred brands, but alternates may be evaluated and considered as substitute.

2) Will you accept price adjustments during the year if we receive and increase from the manufacturer?

If your organization requires pricing adjustments please state how often and the amount or percentage.

3) What are the terms of the renewal period for pricing? Will price adjustments be allowed?

If your organization requires pricing adjustments please state how often and the amount or percentage.

4) It appears that many items on the list are duplicates, the description is just worded differently- should we NO Bid the duplicated item?

Please duplicate your pricing if same items.

5) Do we have to bid all items to be considered?

Partial bids may be submitted

6) Due to so many items not being clear and updated information is required before we can begin pricing- will you consider moving the opening date out?

Bids will be due Friday April 4, 2025, 2:00pm EDT.
